

**K2500**

Strength and diversity

## Wherever you need to go... it's ready

With greater utility and a level of refinement you would expect to find in a passenger car, the K2500 truck not only makes getting the job done easier, it lets you do it in comfort — with no HT license required!

## Designed for your needs – your mobile office

- Seats feature hard wearing vinyl and are designed to provide comfort and support all day long
- To minimise fatigue, the driver's seat features extra thick cushions in the seat back and bottom as well as adjustable lumbar support
- Extended sliding seats and 3-stage headrests
- Clear and informative LED gauge cluster, and intuitive layout of the centre console and sound system
- Front centre seatback folds down to reveal a multi-functional console for practical storage, in addition to a storage space within the centre console
- Factory Bluetooth system with full stereo and phone integration built into the ergonomically-designed steering wheel
- Air conditioning system with four separate vents ensuring quick and effective cabin temperature control.

1. Aux / USB with iPod input
2. Glove box
3. Cabin with storage console in use

# Load or unload anytime, anywhere

- Tray size gives you the length and width to accommodate the bulkiest of cargo
- Low loading height of only 733mm to make manual loading and unloading easier.
- Tight turning circle (5.02m minimum turning radius) and power-assisted steering
- Fully hinged side panels and loading area tailgate can be lowered up to 180 degrees
- Folding-type stopper for longer loads, with a practical and easy-grip latch
- Rubber wrapped rear gate chains
- Durable rounded brim cover
- Multiple tie-down points
- 1000kg payload
- 1.8m<sup>3</sup> tray volume

**Cargo space**  
The K2500 truck features a 3,110 mm extra long and 1,630 mm wide tray, giving you plenty of loading capacity. The railed truck bed has a low height of 733 mm for easier access when loading and unloading.

**1. Folding-type stopper**  
Safely props up long items that extend beyond the bed.

**2. Easily operated latch**  
Promises better grip thanks to its ergonomic handle.

**3. Covered rear gate chain**  
The wraparound cover protects the chain from corrosion, maintaining lifelong use.

**4. Round-edged brim cover**  
Allows easier loading and unloading as well as greater durability.

## Built for the tough jobs

- Large protective front bumper
- Advanced aerodynamic cab design
- Large loading capacity

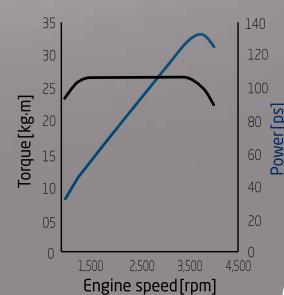

**9.9**  
L/100KM  
(combined cycle)

**258**  
CO<sub>2</sub> EMISSIONS  
(g/km)

▲ 2.5 (A2) diesel engine.

**96**  
KW  
@3800 rpm

**255**  
NM  
@1500-3500 rpm

## Power to perform

- 2.5-litre A2 diesel powerplant for quiet and economical performance with considerable power and torque
- Smooth and fuel-efficient 6-speed manual transmission
- Reverse warning sensors (flat deck only)
- Hydraulic ABS disc brakes (278x26mm) in the front and drums in the rear
- Driver's airbag
- Powerful yet efficient with 9.9L p/100km fuel consumption (factory test combined cycle)
- 15,000km/1 year service intervals
- Dual rear wheels
- Load sensing proportioning valve

### 6-Speed manual transmission

The 6-speed manual transmission offers improved fuel efficiency and durability as well as smoother gear shifts and NVH performance, resulting in an enhanced ride and better comfort.

1. Reverse warning sensors
2. Driver's airbag
3. Ventilated front disc brakes (278x26mm) with ABS system

# K2500 in detail

High levels of engine and brake performance, aerodynamic styling and a focus on driver refinements.

2 spoke steering wheel  
Aesthetically pleasing  
2-spoke design offers  
maximum steering comfort  
when making extreme turns.

**Bonnet accents:** Features Kia's signature tiger nose grille and high quality chrome accents.

**Front open panel:** Allows you to easily check fluid levels and refill when necessary.

**Air conditioning:** Rapidly warms or cools the cabin thanks to four separate vents.

**Power steering and tilt steering wheel:** Makes maneuvering a breeze while also allowing you to set your preferred steering wheel height position for maximum comfort.

**Radio+CD+MP3+Bluetooth with USB+AUX & Audio Remote Control:** Fills the cabin with premium sound while offering maximum connectivity to external music devices. The door tweeters bring your music to life.

**Power windows:** Operate smoothly at the touch of a button mounted on the door armrest.

**Tinted glass:** Keeps the cabin temperature at a comfortable level when working in hot weather conditions.

**Glove box:** Offers convenient storage solutions for small items while providing up to 11.13 litres of total space.

**Steering wheel audio remote:** Safely control a number of audio system functions without taking your eyes off the road.

**Bluetooth steering wheel controls:** Enables use of your Bluetooth-enabled mobile phone for a safe journey. Note: not all mobile phones are compatible. Refer to [kia.co.nz](http://kia.co.nz) for details.

K2500 variant options

Flat deck Truck

- Multiple tie down points to safeguard loads
- Drop sides and tailgate for increased load access and versatility
- Low deck height for ease of loading
- 1 tonne capacity to meet all cargo requirements
- 1.8m³ deck volume

Walk-through Van (available on special order)

- Durable compressed wooden floor
- Aero-dynamic air deflector to improve fuel economy and engine performance
- Twin opening rear doors for ease of access
- Walk through door from front cab for rear cargo access
- 8.9m³ body volume

Dry Van (available on special order)

- Highly durable compressed wooden floor
- Box body internal emergency alarm bell
- Aero-dynamic air deflector to improve fuel economy and engine performance
- Twin opening rear doors and side sliding doors for ease of access
- 7.9m³ body volume
- 1.5m high body (1.8m high option available)

Refrigerator Van (available on special order)

- Durable and easy to clean stainless steel (SUS 304) floor
- Highly effective and efficient refrigerator and chiller unit
- Box body internal emergency alarm bell
- Aero-dynamic Air Deflector to improve fuel economy and engine performance
- Twin opening rear doors and side sliding doors for increased cargo access
- 6.9m³ body volume
- 1.5m high body (1.8m high option available)

## As eco-conscious as you are

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

We set up an environmental research centre to spearhead our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

The concept of eco-friendly cars is adhered to throughout all phases of a vehicle's life. From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

## 3 Year Warranty Programme\*

The Kia K2500 comes with an impressive three year/100,000km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers. Please note that separate warranty conditions apply to refrigerator, box body and walk-through trucks, refer to [www.kia.co.nz](http://www.kia.co.nz) for more information.

## 3 Year 24/7 Roadside Assist\*

A Roadside Assistance Programme for three years (unlimited km's) is also offered on the K2500. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot the vehicle will be towed free of charge to the nearest Kia dealer.

## Kia Incident Care\*

### What is Incident Care?

Put simply, if you and your new Kia are unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you.

Call 0800 800 542 and let the representative know that you have been involved in an incident and they will take over and help you through the entire process, getting your car repaired and back on the road. Kia Incident Care will even assist with completing claim forms, providing you with a courtesy car and making sure your Kia is repaired to exacting standards.

As with anything there are conditions, the most relevant of which is that you have a current motor vehicle insurance policy that applies to you and your Kia.

Kia Incident Care is included with your new Kia K2500 and covers you for the first three years. At the end of three years, simply contact your Kia dealer to extend the coverage.

Kia Incident Care benefits include:

- Complimentary late-model courtesy cars for the duration of the repair (in most locations)
- Recovery and delivery of the damaged vehicle at no cost to the driver
- Claim form provision and facilitation to insurance broker or insurance company
- Stakeholder co-ordination and communications
- Repair progress tracking and pro-active client communications including target completion dates
- Complimentary vehicle valet at completion
- Documented quality inspection
- Dispute resolution and/or co-ordination of fault rectification

## *The Power to Surprise<sup>TM</sup>*

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Sorento, Kia offers a full lineup of cars, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because the best has yet to come.

### About Kia Motors Corporation

Kia Motors Corporation ([www.kia.com](http://www.kia.com)), a maker of quality vehicles for the young-at-heart, was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 2.1 million Kia vehicles a year are produced in 13 manufacturing and assembly operations in eight countries, which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 44,000 employees worldwide and annual revenues of over US\$20 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA, the governing body of the FIFA World Cup<sup>TM</sup>. Kia Motors Corporation's brand slogan: "The Power to Surprise", represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.
