

ALL-NEW
picanto
1250

PRACTICALITY YOU'RE RIGHT AT HOME WITH

Form and function, all worked out.

Great fuel economy, matched with superior safety, sporty design and easy parking capability. The Picanto is everything you need!

GO

STEP IN AND DISCOVER WHAT'S NEW

Features that put a smile on your face.

The Picanto is small in size, big on ideas. You'll be surprised at just how many innovative features are packed into the Picanto.

City life in your Picanto.

The Picanto has everything you need to make your driving around town safe, comfortable and enjoyable.

AUDIO REMOTE CONTROL

Turn it up, turn it down, switch channels, skip tracks. And do it all while keeping your hands on the wheel. Remote control has never been so useful.

IPOD, AUX AND USB CONNECTIVITY

Staying connected is vital. So plug in your mobile music storage device and enjoy your music on the move.

ELECTRIC HEATED OUTSIDE MIRRORS

Electric heated mirrors offer both the convenience of electric operation plus the ability to defrost on cold mornings.

AUDIO SYSTEM

Radio, CD and MP3 player are all within easy reach and are simple to use.

BLUETOOTH HANDS FREE

Using the handily-positioned controls with illuminated call, end call and volume buttons, you can use a Bluetooth-enabled mobile without taking your hands from the wheel.

POWER PLUS ECONOMY, THE DRIVE YOU SEEK

Built for you and the environment.

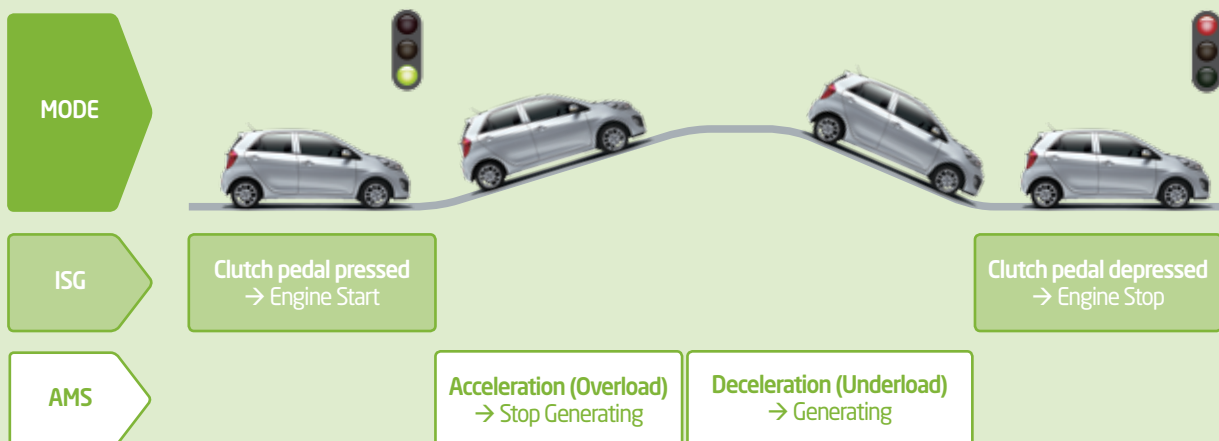

Get the blend of power and economy right and you're on your way to optimum driving. The new Picanto does just that, with an engine that meets or exceeds every existing emissions standard (LX Manual only).

ISG (Idle Stop and Go)

Come to a stop in the new Picanto and intelligence takes over. The engine shuts off by itself, saving fuel. Automatically restarting again when you move off. It's just what you need when driving in congested city streets.

(LX MANUAL ONLY)

KAPPA 1.25 MPI ENGINE

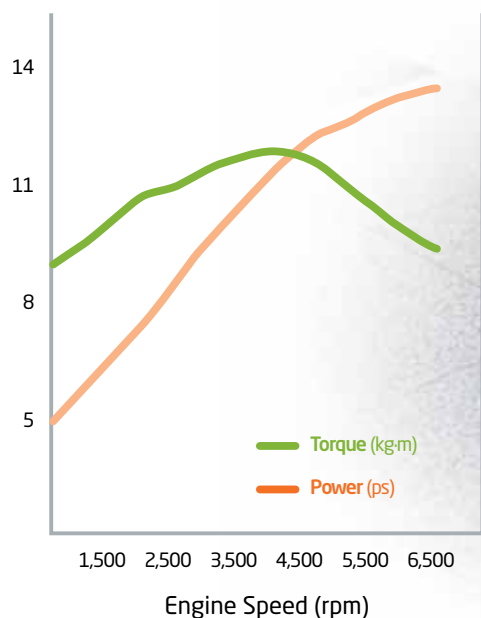

The Kappa 1.25 MPI Engine cuts the emissions down to a frugal 100 grams for every kilometre travelled.

100
(w/ISG Manual)
g/km CO₂

64kw/12.3kg·m

Delivering a maximum 64kw at 6,000rpm, this engine ups the power but still delivers reduced fuel consumption and a smooth, quiet drive.

KAPPA 1.25 MPI Engine

MANUAL/AUTOMATIC TRANSMISSION

Choose from 5-speed manual or 4-speed automatic transmission. Each offers smooth, effortless gear shifting.

REASSURANCE OUT ON THE ROAD

Engineered with active safety.

Oil spills, wet weather, poor road surfaces. The new Picanto incorporates the latest active safety features to ensure you can head off where you want, without worrying about the driving conditions.

LED TAILLIGHTS

Each Picanto taillight contains 24 individual LED's which look great and offer improved light intensity.

EX ONLY

VSM

VSM stands for Vehicle Stability Management, and works in conjunction with Motor Driven Power Steering to ensure the car stays stable when simultaneously braking and cornering.

Steering assist
Direction to low-friction surface.

ESC

With Electronic Stability Control (ESC), sensors detect wheel speed and steering angle when you apply the brakes, delivering the appropriate braking force to each individual wheel to maintain steering control and slow you down safely.

without ESC

with ESC

SAFETY AND STABILITY ALL AROUND

Class leading safety.

On its own, character isn't enough. A car needs to be complete from every single standpoint. Beneath the up-to-date body shell the Picanto's designers have built in the latest class-leading safety measures.

FRONT/SIDE/CURTAIN/ KNEE AIRBAGS

Seven airbags in total: One each for the driver and front seat passenger, two at the sides, two curtain airbags running the length of the cabin, and one at the driver's knee.

HILL START ASSIST CONTROL (HAC)

We know what it's like when you have to pull away from a standing start when you're on a steep upward incline. HAC stops you from rolling backwards.

REAR PARKING ASSIST SYSTEM (4-SENSORS TYPE)

Protect your Picanto with this easy system designed to show you exactly how much room you have at the back when reversing and parking. A warning sound tells you when you're too close to an object.

LX AND EX AUTO ONLY

LX AND EX AUTO ONLY

- 1 GLOVE BOX** A spacious glove box (9.6l) stows useful items where they can be easily accessed.
- 2 DOOR MAP POCKET** Not just for maps, but for other things like drinks and snacks.
- 3 CENTRE CONSOLE** A large open tray on the floor console provides additional storage space.
- 4 FRONT PASSENGER UNDER-SEAT STORAGE** Just the place to keep items out of sight, like shoes, newspapers and maps.
- 5 ROTATING DUAL CUP HOLDERS** A click of a button turns the centre console into rotating dual cup holders.
- 6 SEAT BACK POCKET** Useful for back-seat passengers, pockets on the back of the front seats can hold magazines and books.

VERSATILITY ON BOARD

Storage space close at hand.

When you have places to go, it stands to reason you'll have things to take with you. No problem with the new Picanto. Take them along in the spacious back storage area.

60:40

Because your gear comes in all shapes and sizes.

The 60/40 split rear seat back is ideal when you need to carry unusual-shaped items (while still letting you carry three people). When it comes to sizeable loads, you can fold down both rear seats and make use of the extra space. Under the tailgate there's 200 litres of luggage space—so your bags and shopping items are taken care of.

Carrying capacity dimensions

Luggage room (mm)

Length: 535

Width: 1,002

Height: 557

DRIVER'S SEAT

The supportive driver's seat is fully adjustable to allow for maximum visibility (height adjustment on LX and EX Auto only).

AS ECO-CONSCIOUS AS YOU ARE

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

We set up an environmental research centre to spearhead our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

The concept of eco-friendly cars is adhered to throughout all phases of a vehicle's life. From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

5 YEAR WARRANTY PROGRAMME

All new Kia Passenger Vehicles come with an impressive 5 year/100,000km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR 24/7 ROADSIDE ASSIST

For complete peace of mind on the road, Kia Assist is all you need. You never know when you'll have an unexpected breakdown. You can feel so much safer and secure knowing your Kia Assist Membership entitles you to benefits and services when needed.

KIA INCIDENT CARE

What is Incident Care?

Put simply, if you and your new Kia are unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you.

Call 0800 800 542 and let the representative know that you have been involved in an incident and they will take over and help you through the entire process, getting your car repaired and back on the road. Kia Incident Care will even assist with completing claim forms, providing you with a courtesy car and making sure your Kia is repaired to exacting standards.

As with anything there are conditions, the most relevant of which is that you have a current motor vehicle insurance policy that applies to you and your Kia.

Kia Incident Care is included with your new Kia and covers you for the first five years you have your Kia. At the end of five

years, simply contact your Kia dealer to extend the coverage. Kia Incident Care benefits include:

- Complimentary late-model courtesy cars for the duration of the repair (in most locations)
- Recovery and delivery of the damaged vehicle at no cost to the driver
- Claim form provision and facilitation to insurance broker or insurance company
- Stakeholder co-ordination and communications
- Repair progress tracking and pro-active client communications including target completion dates
- Complimentary vehicle valet at completion
- Documented quality inspection
- Dispute resolution and/or co-ordination of fault rectification

The Power to Surprise™

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Sorento, Kia offers a full lineup of cars, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because the best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com)-a maker of quality vehicles for the young-at-heart-was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. As part of the Hyundai-Kia Automotive Group, Kia aims to become one of the world's premier automotive brands. Over 2.1 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 44,000 employees worldwide and annual revenues of over US\$2.02 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA-the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan-'The Power to Surprise'-represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.
