**SSANGYONG** Korea's Premium SUV & Ute Manufacturer

# TIVOLI I LOVIT

## ESCAPE FROM THE ORDINARY

Tivoli offers great style, five star safety and dynamic driving for a busy, active lifestyle. This compact SUV is designed to exceed your expectations in every way – the newly styled elegant body, trendy and comfortable interior, powerful yet economic engine, smooth handling backed up with a full range of safety features.

### SENSATIONAL STYLING

The sophisticated look and feel of Tivoli speaks for itself

HID headlamp with LED day time running lights

Glossy black garnish on A-Pillar

LED rear combination lamps

### SERIOUSLY SAFE

The Tivoli is designed to put your family first with unparalleled safety specifications

The Tivoli is built to an extremely high level of strength and safety, with 71.4% of the body construction consisting of high-strength steel and 40% advanced high-strength steel. To minimise collision impact, ten key areas of the vehicle have been reinforced with hot-formed steel, which increases the steel's impact resistance to 1,500Mpa, as opposed to just 280Mpa for plain steel

7 airbags consisting of frontal, knee and curtain bags

### SOLUTION FOR EVERY SITUATION

This SUV not only looks impressive but is practical for a typical kiwi lifestyle, catering for many different scenarios

Different seating variations to cater for your lifestyle

The only vehicle in its class that can hold 3 golf bags

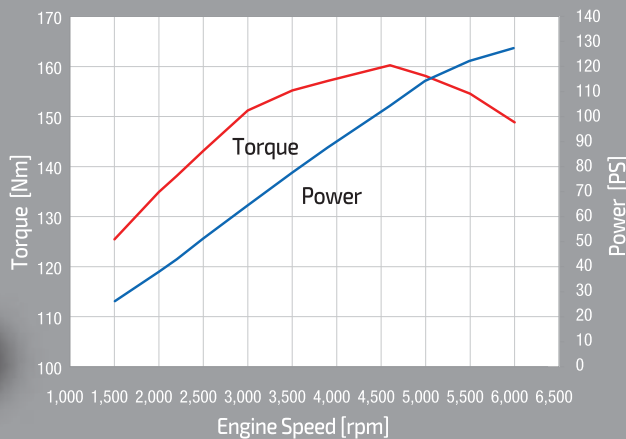

- ▶ Petrol**
- ▶ Manual or Auto**
- ▶ Airbags**
- ▶ Media Centre**
- ▶ Flipkey**
- ▶ 2WD**
- ▶ Electronic Stability Control**
- ▶ Cruise Control**
- ▶ Bluetooth**
- ▶ Alloys**

The quality and standard of specification and highly competitive price makes the Tivoli Sport a 'real' value proposition. You will **LOV** driving this SUV, which provides superb handling, an elegant interior and superior features such as the multi media centre, cruise control and full range of safety options.

### e-XGI160 petrol engine

This highly efficient petrol engine runs quietly and is tuned to perform best in the low-and mid-speed ranges, where the vehicle is most often driven day to day.

16" Alloy Wheel (with full size spare)

Flat woven
